MEMORANDUM FOR: Distribution

SUBJECT: Status of Former PFIAB Recommendations

1. The DCI has asked me to review the status of the recommendations contained in the former PFIAB's final report, "Intelligence for the Future," dated 2 December 1976 (Attachment 1). As I stated in my interim response to him (Attachment 2), it is necessary that I solicit contributions from those of you who are closer to the activities. For your information, I have also attached DCI Bush's letter to the President providing the status of Community activities with respect to the recommendations at the time (Attachment 3).

2. It would be helpful to me if you would review the current status of any activities that respond to the recommendations and provide them to me in a succinct report. I understand that Leo Cherne wants to be sure credit is given to the Intelligence Community for activities that addressed the PFIAB's recommendations. As you can see from my interim response to the Director, I have been liberal in my interpretation of activities that address the PFIAB's concerns. As you can also see, I have presumed that these reports will not be difficult for you and your staffs and have promised that you will have your responses to me by 2 June so that I may put them into a consistent form and forward them to the DCI by 4 June. I imagine that the DCI's report to Leo Cherne will be somewhat, but not much longer than, DCI Bush's letter to the President.

3. Please let me know if the timing creates any problems. If you or your staffs have any questions, feel free to contact me or [redacted]
